Notice of Privacy Practices – Disclosure Summary

knowledge are:

- If you bring someone with you or contact staff outside of the office.
- For supervision, consultation, or training to ensure quality services.
- If there might be child or dependent adult abuse or neglect according to Iowa's laws. (A summary of both of those are attached.)
- If there is an emergency.
- If we are court ordered (including if you are ever involved in a Child in Need of Assistance case).
- If there is the potential for you or someone else to be in danger.
- If we are aware of the contemplation of a crime or in connection with any crime or accusation against the agency.
- If there may have been sexual exploitation.
- If we are part of an audit, accreditation process, or similar review.

Please review our full Notice of Privacy Practices at the front counter of the Clarinda office and in the packet at each off-site location for a complete listing and details. You can request a copy at any time.
